This safety induction permits the inductee to access the specified laboratories or work areas and to carry out the assigned tasks without supervision.

## Project Outline

The undersigned student has received and understood all the necessary information, instruction and training to carry out the allocated task safely. The project has been properly assessed by the supervisor for compliance with all School and UWA procedures and legal responsibilities. Where significant risks have been identified, a written Risk Assessment Report has been completed. Any changes to the work method or deviation from procedure will be brought to the supervisor’s attention.
